A new Treasurer for our u3a

We are looking now for someone to take over from Tony Garwood as Treasurer in October 2026 when he must give up the role. We are looking now, because we want them to work alongside Tony for some of the year to make sure the transition is as smooth as possible.

Tony does not have a background in bookkeeping or accountancy, so his successor would not need them either. Members without such backgrounds are certainly welcome to put themselves forward, however you do need to feel comfortable with numbers. Our income last year was more than £90,000.

You need to have good computer skills. We use u3a Beacon Administration software to record income and expenditure. Tony uses Excel to analyse and monitor our finances and Word to compile reports for the Committee (any appropriate alternative software to Excel and Word could be used). Our Credit Card system is controlled from an online dashboard. Specific training in the use of all software will be provided during the year. We are only looking for someone to do the money. The new treasurer will not be responsible for the website, the Christmas/Summer lunches or any of Tony's Groups.

Under charity law we must have a Treasurer to function. If no one takes on the role this u3a cannot function and would have to close.

If you would like more information, Tony will be happy to answer your questions. His number is 07428122161.

5 Deans Outings—(lindainbrundall@aol.com)

Standen House :

Thursday 23rd October we plan to visit Standen House to see the beautiful Arts & Crafts house and garden. We have timed the visit to coincide with an exhibition exploring the Arts & Crafts movement. We expect the cost to be approx. £30 for National Trust members and £46 for non-members.
