After your generous donations at the monthly meeting we received this letter of thanks:

Dear Friends,

Thank you so much for your precious gifts, which are helping us to transform the lives of hungry children around the world with a nutritious daily meal in school. Your kindness is bringing food, joy and hope to the children who eat Mary's Meals, allowing them to make the most of their education and giving them the chance of a better future. Our meals make a huge difference to children. From the bottom of our hearts, we thank you for your incredible generosity which will have a life-changing impact on some of the world's poorest children, providing them with food, education and hope for a brighter future.

Yours sincerely,

Margaret Cook

Thanks Nigel

The aim of the group will be to improve physical and mental health – especially back, hips and core strength. It will also concentrate on enjoyment and connecting with each other. If you are interested please contact our Interest Group Co-ordinators Tricia Shepherd email: johnandtricia@tiscali.co.uk or Marian Stanley email: marianstanley43@gmail.com.

The u3a is a self-help learning organisation for people who have completed their career or finished raising a family and is an equal opportunities organisation welcoming all members.
